

NOTICE FOR PREQUALIFICATION

PROCUREMENT OF THE PRODUCTS AND SERVICES
UNDER JAPAN'S GRANT AID 2004
IN RESPONSE TO THE DAMAGES CAUSED BY THE GREAT EARTHQUAKE
OFF THE COAST OF SUMATRA, THE REPUBLIC OF INDONESIA,
AND BY THE INDIAN OCEAN TSUNAMI DISASTER

-----THE DEMOCRATIC SOCIALIST REPUBLIC OF SRI LANKA-----

The Government of the Democratic Socialist Republic of Sri Lanka has received Grant Aid of eight billion Japanese Yen (¥8,000,000,000) from the Government of Japan for the purchase of products and services necessary for the execution of the Programme for Efforts to cope with the Damages caused by the Great Earthquake off the Coast of Sumatra, the Republic of Indonesia, and by the Indian Ocean Tsunami Disaster.

This is to announce the prequalification prior to the tender for the following project:

Tender No. NPTSL04-057CN

? PROJECT FOR Construction of Japan Sri Lanka Friendship Village at Iqbal Nagar, Trincomalee for permanent resettlement of tsunami victims having the following feature:

- Land areas: Approx. 30 acres
- Houses: 240 units
- Public buildings: Community center, Pre-school, Complex Building
- Infrastructures: Roads, water supply, drainage, power supply systems etc.

All works are expected to be completed within ten months from the commencement date.

Prequalification Documents are available at the following office of the Employer, Japan International Cooperation System (JICS), from August 6th, 8th, 9th and 10th, 2005 from 10:00 to 12:00 and from 14:00 to 16:00.

The application forms shall be submitted to the said office by 17:00 on August 16, 2005.

The applicants, however, shall be required to satisfy the following conditions:

1. To be Sri Lankan construction companies of M1, M2 or M3 Grade (Building) by Institute for Construction Training And Development (ICTAD), or Japanese general construction companies, which are controlled by Japanese nationals and are equivalent to M1 ranking by ICTAD.
2. To be in sound financial conditions.
3. To have experiences of at least one (1) completed general construction work with contract price of not less than two million US dollars (US\$2,000,000), or have the cumulative completed general construction works of which the total contract price shall not be less than five million US dollars (US\$5,000,000), either domestic or overseas, during the last ten (10) years, regardless of prime contracting or subcontracting.
4. To have experiences of at least one (1) completed construction work similar in nature to the work under this contract, either domestic or overseas, during the last five (5) years, regardless of prime

contracting or subcontracting.

5. To have not less than thirty (30) engineers/architects who have been licensed in Sri Lanka or Japan.

The firms or companies who are interested in further procurement of the products and services under this Grant, are recommended to see our website on daily basis.
