

NOTICE FOR PREQUALIFICATION

PROCUREMENT OF THE PRODUCTS AND SERVICES
UNDER JAPAN'S GRANT AID 2004
IN RESPONSE TO THE DAMAGES CAUSED BY THE GREAT EARTHQUAKE
OFF THE COAST OF SUMATRA, THE REPUBLIC OF INDONESIA,
AND BY THE INDIAN OCEAN TSUNAMI DISASTER

-----THE DEMOCRATIC SOCIALIST REPUBLIC OF SRI LANKA-----

The Government of the Democratic Socialist Republic of Sri Lanka has received Grant Aid of eight billion Japanese Yen (¥8,000,000,000) from the Government of Japan for the purchase of products and services necessary for the execution of the Programme for Efforts to cope with the Damages caused by the Great Earthquake off the Coast of Sumatra, the Republic of Indonesia, and by the Indian Ocean Tsunami Disaster.

This is to announce the prequalification prior to the tender for the following project:

Tender No. NPTSL04-059CN

? Infrastructure Construction Work for Project for Promotion of Housing Construction for Tsunami Affected People under Japan Sri Lanka Friendship Village Program, at Konesapury, Trincomalee, having the following feature:

- Total Land Area to be developed Approx. 50 acres
- Land Development Cut/Fill Volume: Approx. 240,000 cm
- Access Road: Approx. 1,500 m
- Road-length within the premise: Approx. 4,700 m
- Others: Works on water supply, drainage, power supply, etc. within the premise.

All works are expected to be completed within ten months from the commencement date.

Prequalification Documents are available at the following office of the Employer, Japan International Cooperation System (JICS), on October 28, 31, November 1 and 2, 2005 from 10:00 to 12:00 and from 14:00 to 16:00.

The application forms shall be submitted to the said office by 17:00 on November 9, 2005.

The applicants, however, shall be required to satisfy the following conditions:

1. To be Sri Lankan construction companies of M2 and above (Building, Civil Engineering) grades by Institute for Construction Training And Development (ICTAD), or Japanese general construction companies, which are equivalent to M1 ranking by ICTAD, having registered office(s) or project office(s) in Sri Lanka.
2. To be in sound financial conditions.
3. To have experiences of at least two (2) completed general construction works with contract price of not less than one million US dollars (US\$1,000,000) each, or have the cumulative completed general construction works of which the total contract price shall not be less than ten million US dollars (US\$10,000,000), either domestic or overseas, during the last ten (10) years, regardless of

prime contracting or subcontracting.

4. To have experiences of at least **two (2)** completed construction works similar in nature to the works under this contract, either domestic or overseas, during the last **five (5)** years, regardless of prime contracting or subcontracting.
5. To have not less than **thirty (30) engineers/architects** who have been licensed in Sri Lanka or Japan.

The firms or companies who are interested in further procurement of the products and services under this Grant, are recommended to see our website on daily basis.
