

NOTICE FOR PREQUALIFICATION

PROCUREMENT OF THE PRODUCTS AND SERVICES
UNDER JAPAN'S GRANT AID 2004
IN RESPONSE TO THE DAMAGES CAUSED BY THE GREAT EARTHQUAKE
OFF THE COAST OF SUMATRA, THE REPUBLIC OF INDONESIA,
AND BY THE INDIAN OCEAN TSUNAMI DISASTER

-----THE DEMOCRATIC SOCIALIST REPUBLIC OF SRI LANKA-----

The Government of the Democratic Socialist Republic of Sri Lanka has received Grant Aid of eight billion Japanese Yen (¥8,000,000,000) from the Government of Japan for the purchase of products and services necessary for the execution of the Program for Efforts to cope with the Damages caused by the Great Earthquake off the Coast of Sumatra, the Republic of Indonesia, and by the Indian Ocean Tsunami Disaster (hereinafter referred to as "the Programme") by the Democratic Socialist Republic of Sri Lanka.

This is to announce the prequalification for tender for the construction works of the following project, using part of the Grant Aid:

Tender No. NPTSL04-063

- ? CONSTRUCTION WORK ON THE PROJECT FOR RECONSTRUCTION OF SCHOOLS DAMAGED BY TSUNAMI DISASTER IN AMPARA DISTRICT, at;
- A/Bahriya Vidyalaya, Jaladeen square, Pottuvil

Prequalification Documents are available at the following office of Japan International Cooperation System (JICS) from September 9, 12 and 13, 2005 from 10:00 to 12:00 and from 14:00 to 16:00

The application forms shall be submitted to the said office by 17:00 on September 20, 2005.

The applicants, however, shall be required to meet with the following conditions :

1. 1 To be Sri Lankan construction companies of M1, M2 and M3 ranking by Institute for Construction Training And Development (ICTAD), or Japanese general construction companies, which are controlled by Japanese nationals and are equivalent to M1 ranking by ICTAD.
- 2 To be in sound financial conditions.
- 3 To have at least three (3) experiences of the completed general construction works with contract price of not less than Five hundred thousand US dollars (US\$500,000) each, or have experiences of the completed general construction works of which the total contract price shall not be less than Five million US dollars (US\$5,000,000), either domestic or overseas, during the last ten (10) years, regardless of prime contracting or subcontracting.
- 4 To have at least three (3) experiences of the completed construction works for similar new construction of school building, either domestic or overseas, during the last ten (10) years, regardless of prime contracting or subcontracting.
2. 5 To have not less than ten (10) engineers who have been licensed in Sri Lanka or Japan.

The firms or companies who are interested in further procurement of the products and services under this Grant, are recommended to see our website on daily basis.
