The Institute

The National Institute of Educational Planning and Administration (NIEPA) is a premier organization engaged with capacity development and research in policy making, planning and administration of education. The Institute was established by the Ministry of Education, Government of India. The Institute is an apex national institution of educational planning and administration and is actively engaged in educational research, training and consultancy.

The core activities of the Institute include training of educational planners and administrators; research; consultancy services at national and international levels; clearing house for dissemination of knowledge and information; and providing a forum for exchange of views and experiences between practicing educational administrators, planners and academics. In addition to its multifarious activities, the Institute also offers a number of Research Programmes namely Post Graduation, Ph.D. and Post-Doctoral Programmes in educational policy, planning, finance and administration from a broader inter-disciplinary social science perspective.

International Programme in Educational Management for Educational Administrators (IPEM)

This programme will enable the educational administrators to keep abreast recent developments in the field of educational management with reference to the changes in the world. It would also facilitate to explore possibilities for adapting innovations and changes which have been implemented and are successful in other countries. The relationship between education and development in achieving the global sustainable development goals (SDGs) is discussed in the context of participating countries.

The focus is on critical areas of education, which are of concern to the developing countries. The learners will be introduced to attain competence across a spectrum of relevant themes and its application in

the local context. Exchange of ideas in group work presentations, on a variety of subject matters and issues important to the field of human resource development serves as the strength of the Programme.

Objectives

To accomplish the aim stated above the Programme objectives broadly aim at sharing experiences in the field related to educational administration, management and leadership among the participants with a view to:

1. Enable the trainees to have a general perspective of the process and organizational set-up of educational administration at various levels in the developing countries,
2. Acquire a clearer understanding of various problems and issues particularly in the context of the multi-level character of educational administration adapted in the developing countries,
3. Acquaint the trainees with the concept and procedures of inspection and supervision at different levels
4. Reflect and discuss methods to enhance managerial and leadership capabilities.

Eligibility

1. Educational personnel engaged in the planning and administration of elementary and secondary sectors of education at the national, provincial, district or institutional level and also at the system level (i.e., Ministry of Education or Directorates of Education) are eligible.

It may kindly be noted that school and university teachers and other educational staff are not eligible for this programme.

2. Heads of educational institutions, regional and district education departments, teacher-training colleges who are likely to assume higher responsibilities in educational planning and administration.

Language

English is the medium of instruction. A satisfactory knowledge (both spoken and written) of English language is necessary.

Enrolment Procedure and Funding

The total number of available seats are thirty based on specified selection criteria. The nominations should reach NIEPA as early as possible, but not later than **25 February 2026**, clearly indicating the name of the funding agency as per procedure given below.

Application of the candidate in the prescribed form must be routed through the respective national government. All official applications will be reviewed from the academic perspective by NIEPA. Eligible participants will be enrolled subject to the clearance from the Government of India.

Indian Government provides financial assistance under the Indian Technical and Economic Cooperation (ITEC) scheme through the Development Partnership Administration (DPA) set up in the Ministry of External Affairs since January 2012. The entire expenses of candidates nominated under Government of India schemes are paid directly by the Government to the Institute. Enquiries in this regard can be made at the Indian Diplomatic Mission in the country concerned.
