SCP: "Introduction to Clean Energy Transition towards Net Zero Target"  
From 08<sup>th</sup> to 12<sup>th</sup> June 2026 (In Singapore)

We wish to inform you that the Government of Singapore has invited nominations for the training programme titled "Introduction to Clean Energy Transition towards Net Zero Target", organized under the Singapore Cooperation Programme (SCP) and conducted under the auspices of the Japan-Singapore Partnership Programme for the 21st Century (JSPP21).

This programme provides an overview of renewable and low-carbon energy technologies, with a focus on hydrogen and waste-derived renewable fuels as green energy solutions. Participants will also gain insights into Singapore and Japan's approaches to research, development, and adoption of green fuels.

In this regard, your assistance is kindly requested in disseminating this information to all relevant officers within your Ministry and the institutions under your purview. If the objectives and content of the programme are relevant to your institution's mandate, you are invited to nominate a suitably qualified candidate for participation.

All nominations must comply with TA Circular 2013/2014, issued by the Ministry of Finance, Planning and Economic Development on 24th October 2013, as well as the application guidelines provided in the general information brochure of the programme attached to this correspondence.

The nomination, accompanied by the following documents, should reach this department by 2:00 PM on 23rd March 2026:

- Nomination Ministry approval letter
- Application (copy of online application)
- ERD form

It is to be noted that a maximum of two nominations from Sri Lanka may be selected for this programme. The allocation of these opportunities will be strictly based on the qualifications, experience, and competitiveness of the nominees, with the final selection made solely by the Government of Singapore. Special emphasis will be placed on the relevance of the nominee's current role, responsibilities, and potential to apply the knowledge gained, which will be critically evaluated during the selection process to ensure that the most suitable candidates are chosen.

Therefore, the applicants are strongly advised to review the instructions available at <https://go.gov.sg/start-guide> and complete the online registration at <https://go.gov.sg/cleanenergy26> at the earliest convenience. Timely submission of complete applications will enable ERD to provide the required endorsement and secure training opportunities for Sri Lanka.

This programme represents a valuable opportunity for the Government of Sri Lanka to strengthen the capacity and expertise of its officials in clean energy transition. Therefore, your cooperation in selecting and nominating the most suitable candidate is highly appreciated.

Your early response is greatly appreciated.

Tharanga Liyanage
