

Dear Participants,

To continue learning about Renewable Energy, please join us for Workshop 3: Innovations in Renewable Energy Storage on 2 June, 18:00 – 20:00 (GMT +8). **Certificates will be awarded to those who complete 2 out of 3 workshops in the series.**

The series is co-organized by the Multilateral Cooperation Center for Development Finance (MCDF), Saudi Arabia Ministry of Finance, Islamic Development Bank (IsDB), and Asian Development Bank (ADB).

What will you learn?

- ✓ Innovations in renewable energy storage technologies, including batteries, pumped storage, and sand-based system
- ✓ Policies and incentives for innovative energy storage technologies
- ✓ Market mechanisms to facilitate the development and scaling up of energy storage solutions
- ✓ Institutional frameworks supporting the adoption of advanced energy storage technologies

We invite you to join and share the attached flyer, agenda, and links to relevant colleagues.
